

## SPEAKER PROFILE

### Fortiscue Helepi: Life Motivator

You only live once and you need to use this as best as you can. This is the message that I am spreading. You need to learn from other people and make your life better. Learn everyday and look at ways of improving your life everyday. The Life Motivator message is Live Life to the Fullest and Enjoy it. Stop complaining about your work, colleagues, spouse, children, parents, in-laws and financial position. Live life to the fullest and enjoy every moment and face any challenge in your life. Start today to live a motivated life everyday.

## Fortiscue Helepi Background

Fortiscue Malepa Helepi is a Principal Process Engineer by profession. He graduated in BSc (Eng) (Chemical) at University of Cape Town. He is currently working as a chemical engineer. He has been working in the petrochemical industry for 10 years.

He is also an author, poet and a motivational speaker. He has a simple message to his audience that is **Live Life to the Fullest and Enjoy It**. The message is to teach youth to be responsible and take opportunities that are presented to them. His career as a motivational speaker started with his work at Thuto Etle Pele Trust project. The aim of the project was to motivate children to be the best they can and also to choose careers in science, engineering and technology fields.

He has published the following books: *Living Life That Pleases God* and *God of All My Seasons*. He has passion for community work and helping others. He is the founder and executive director of Thuto Etle Pele Trust, organization promoting science and engineering among the youth. He is also an executive member of House of Hope, organization that fights poverty and HIV/AIDS in Sasolburg/Zamdela communities.

He is a member of Professional Speakers Association of South Africa (PSASA) and Global Speakers Federation (GSF).

He is married to Nokuthula and they are blessed with three boys, Nhlakanipho, Boitumelo and Letlotlo.
